BASIL STREET – PROVISION OF ONE-WAY EXCEPT CYCLES AND NO ENTRY EXCEPT CYCLES

Kensington and Chelsea (Prescribed Routes) (No. *) Traffic Order 202X

STATEMENT OF REASONS

A north-eastbound one-way system applying to all vehicles except pedal cycles is to be provided in that length of Basil Street that lies between the north-eastern kerb-line of Rysbrack Street and the common boundary of Lincoln House and No. 16 Basil Street along with an accompanying no-entry except for pedal cycles applying to south-westbound vehicles in Basil Street at its junction with Pavilion Road. These proposals would prevent congestion whilst retaining accessibility for cyclists, in the Royal Borough of Kensington and Chelsea.
